

# Designated Physicians

**June 2010, Version 1.0**

This list is accurate on the date published based on the information contained within the BCBSM databases. Changes to this list may occur from time to time, so check back on our web site periodically to ensure that you have the most recent version.

Always call the doctor's office to confirm the address and exact location of a particular physician before you visit them for any health care services.

More information on each physician can be found using the search function on the bottom right side of the home page at [bcbsm.com](http://bcbsm.com).
